FEATURES

- + Highest cut resistance level F
- + Highly flexible but durable glove
- + Water resistant and grippy reinforced palm
- + Touchscreen compatibility
- + All-weather neoprene wrist support with ID tag
- + Pre-curved softshell padding
- + Ergonomic shaped fingers
- + Lightweight impact resistant knuckle protection

PRODUCT DISCLAIMER: Gloves that provide cut resistance are not cut-proof. The risk for these sorts of injuries will not be completely eliminated or prevented by the use of gloves. Cut resistant gloves are not intended to provide protection against powered rotated blades or equipment, serrated or other sharp or rotating equipment. It is the responsibility of companies and/ or glove users to perform their own testing to determine the suitability for a particular application or use within the environment the gloves are to be used. Safety Mate Pty Ltd may revise this information as new information, knowledge or experience becomes available.
